

Salem Booster Club

Working Together - Making a Difference

Salem Booster Club will be a non-profit organization dedicated to raising funds and acquiring resources that are not available through public financing (i.e., taxes), in order to supply educational and athletic enrichment programs at the Salem Grade School.

We need YOUR help to make that happen!

A 1.16 million dollar budget shortfall has resulted in the cancellation of all after-school sports, clubs and activities. It is our goal to bring these programs back to our district:

- | | | | |
|---------------|--------------|---------------------|----------------|
| Art Club | Basketball | Battle of the Books | Cheerleading |
| Computer Club | Cup Stacking | Drama Club | Forensics |
| Musical | Pep Club | Softball | Student Senate |
| Tech Ed Club | Track | Volleyball | Yearbook |

These programs will be open to Salem Grade School students, as well as home school students living in the Salem School District. The programs will be run by volunteers. Anyone interested in heading or supporting a program can contact Cheryl Konwent, Vice President at ckonwent@wi.rr.com.

There are many initial overhead costs involved in successfully launching an organization of this size and scope. To help cover legal and filing fees (filing incorporation application, submitting 501(c)(3) non-profit status), liability insurance, establishing a website and public awareness, etc. we are in need of a fund balance within the next two weeks. Our anticipated initial costs are \$3.5K. While there will eventually be a membership fee to join the Salem Booster Club, we are requesting donations as early as possible to ensure the continuation of these programs for the district. We will be a 501(c)(3). All donations are tax deductible. Donations can be mailed to:
