NEWS RELEASE: (KSD case 2009-94267)

**UPDATE:** 6/25/09 0930hrs

The victims from this crash have been identified as:

- Denise Dooley (18) Driver Deceased
- Alivia Manon (18) Front passenger Deceased
- Tanya Nitschneider (18) Rear passenger Non-life threatening injuries

The Kenosha Sheriff's Department is saddened by this senseless loss and wishes remind the public about the dangers of excessive speed and not wearing seatbelts.

Today at approximately 7:16 PM, Kenosha Sheriff's Deputies responded to a report of fatal accident in the Town of Brighton. The single vehicle accident occurred in 29600 blk. of CTH K (60st). Initial reports indicate that a 2003 VW Jetta was traveling westbound on CTH K when it lost control. The vehicle veered into the right ditch and rolled over. No other vehicles were involved.

There were three occupants in the vehicle. Both the driver and front seat passenger were ejected during the crash. They were found deceased at the scene. They were not wearing seatbelts. The rear seat passenger was also injured but remained in the vehicle. She was transported to Aurora Hospital.

All three victims were females between 18-19 yrs old. All are from the Salem and Trevor areas of Kenosha County. The victim's identities will not be released until family members can be notified.

Speed appears to have been a factor; however this accident remains under investigation.
