LOCAL CONTROL = QUALITY EDUCATION

PARIS SCHOOL

COMMUNITY SUPPORT = HIGH PERFORMANCE

Through over 30 years of commitment to quality education, our community has built a SUPERIOR SCHOOL DISTRICT that produces excellent students! **Paris School students are high performers because our community gives them what they need: low class sizes, highly individualized instruction and an outstanding character-building school environment, known by students as “Panther Pride”.** In turn, our students excel at Paris School, go on to excel at Central High School, and grow up to be the kind of people we want living next door.

- **94% of Paris School students scored ADVANCED or PROFICIENT in reading, math, language arts, science and social studies on the 2009 Wisconsin Knowledge and Concepts Evaluation (WKCE).**
- **In the last ten years, ONE THIRD of Central High School VALEDICTORIAN recipients were Paris School graduates.**
- **97% of Paris Middle Schoolers participated in EXTRACURRICULAR ACTIVITIES this year. All activities are open to all students.**

Paid for by the Vote Yes for Paris Committee, Dawn Gross, Treasurer.

= STRONG COMMUNITY

LOCAL CONTROL = QUALITY EDUCATION

Paris School is a success! Our small community has created a local school with BIG standards and specialized student enrichment activities that set Paris School apart from other districts:

Battle of the Books Comprehension Meets • Come Read with Me (students reading with area senior citizens) • Intermural Sports • Kids Helping Kids Mentoring Program • Math Meets • Middle School Forensics • Power of Positive Students (POPS) activities • School-wide Literacy Unit • Writing Club

Local control means we keep our school district intact and our LEGACY OF QUALITY EDUCATION continues. We keep our school tax dollars here and keep the State out of our education decisions. **When we keep our school and students strong, we keep our community strong!**
