Welcome to Salem Grade School and the Salem Booster Club! As you may have heard, the SBC is a non-profit organization run solely by volunteers which is dedicated to supplying the extra-curricular athletics and clubs to Salem students! We have enjoyed an amazing first year and with your help, we intend to build on our success. While the Westosha Athletic Conference governs which conference sports are available to the middle school children at our school, we do enjoy the freedom to offer other opportunities for our students.
