GREAT RECIPE IDEAS FROM SENTRY. EACH WEEK CHECK OUT A NEW "WHAT'S FOR DINNER" RECIPE IDEA IN OUR AD OR AT SENTRYFOODS.COM

WHAT'S FOR DINNER?

Super Moist Roasted Turkey

what you need...

- 10 lbs fresh whole turkey or frozen whole turkey, thawed
- 1 cup **Hellmann's® Real Mayonnaise**
- 2 tbsp Knorr® Chicken Flavor Bouillon
- 1 large shallot or onion, chopped
- 1 tsp fresh rosemary, sage and/or thyme*
- 1 envelope Knorr® Roasted Turkey gravy mix, prepared according to package directions

make it...

preheat oven to 425°. Remove giblets from turkey cavities and rinse turkey inside and out; pat dry with paper towels; set aside.

combine **Hellmann's Real Mayonnaise**, Knorr® Chicken flavor bouillon, shallot and herbs in medium bowl; set aside. Starting at neck opening, gently loosen skin on turkey and evenly spread 1/2 of the mayonnaise mixture under skin. Tie legs together with kitchen string.

arrange turkey, breast side up, in large shallow roasting pan with rack; rub remaining mayonnaise mixture over outside of turkey. Tent with heavy-duty aluminum foil and roast for 1 hour. Increase oven to 350° and roast turkey 1-1/2 hours. Remove foil and continue roasting, about 30 minutes, basting occasionally with pan juices, until thermometer inserted in thickest part of the thigh reaches 165° and skin is browned and crispy. Let stand covered loosely with foil 20 minutes before carving. Serve with hot, prepared Knorr® Roasted Turkey gravy mix.

*SUBSTITUTION: Use 1 tsp dried rosemary, sage and/or thyme, crushed.

for people who know... meat! product of U.S.A.

Sentry's Perfect Roast Recipe

1. Select a standing aged prime rib roast, well marbled with white or cream colored fat, (follow these same instructions for any size roast.)
2. Let meat stand at room temperature for at least one hour before cooking.
3. Preheat oven to 375°. Rub meat well with salt, pepper, with pepper. Place meat fat side up in a shallow roasting pan. DO NOT COVER; DO NOT ADD LIQUID.
4. Put roast in oven; cook for just one hour. Turn off heat, but do not open oven door at any time until ready to serve.
5. Regardless of the length of time the meat has been in the oven - 30 or 40 minutes before serving; turn oven on again; reset temperature control to 375°. Cook meat for those remaining 30 or 40 minutes.
6. Now open oven door; remove roast to serving platter. Garnish with parsley. The meat will be very brown and crisp on the outside. Carve thin slices; you'll find it beautifully pink all the way through. Juicy, oozing the succulence which proves that the meat is a medium rare.
