Feeder Program

Fall Recreational Soccer

The soccer coaching staff at Central High School is proud to announce the continuation of the **Central Soccer Club** recreational soccer program. Soccer opportunities are offered from Kindergarten–Eighth grade. Young athletes will learn the game of soccer from nationally licensed coaches. The cost for the fall recreational league is \$145. Your fee pays for 2 uniforms (home and away, shorts, and socks). Field rental, referees, and field maintenance. The league fee will be \$95 every additional season you don't need a new uniform.

Job opportunities: Paid referees and volunteer coaches

Volunteer coaches: Coaches must attend training sessions by nationally licensed coaching staff for the weeks topics. You must also submit your practice times and locations so we can assist you in the implementation of the weekly topic.

We will have a club practice on Saturday, September 5th and 12th. Each individual team coach will then have one weekly practice at the time and location of their choosing. Games will be held on both Saturday and Sunday running from September 19th–October 24th.

Registration is due August 29th. There will be an additional \$15 late registration fee to process uniform orders.
